

# KaraUke Tech Spec

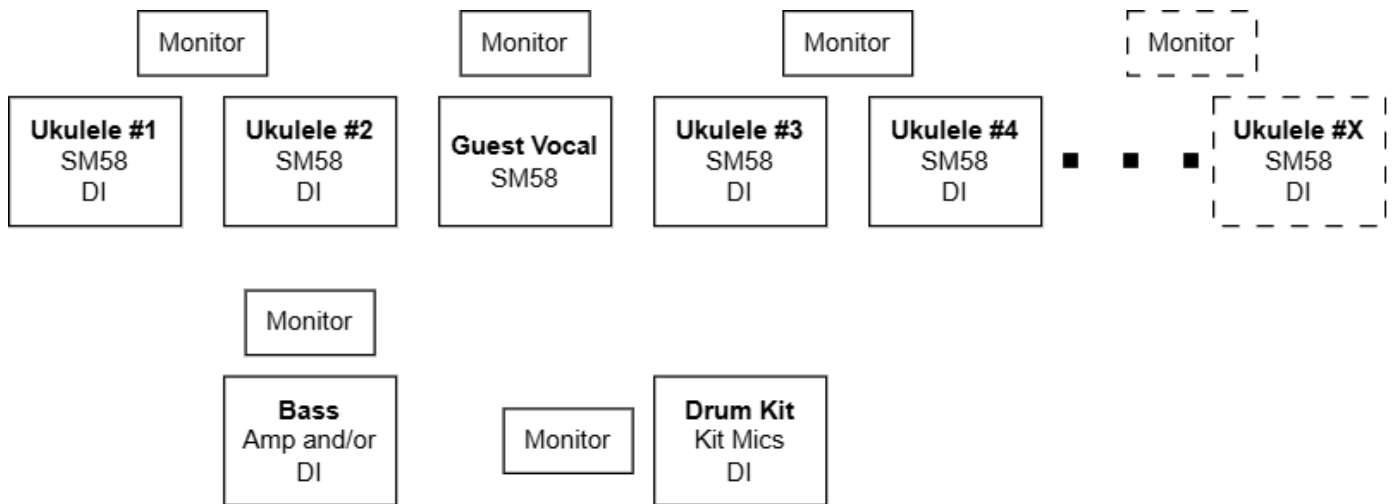

[www.karaoke.co.uk](http://www.karaoke.co.uk)

**Contact:** [contact@karaoke.co.uk](mailto:contact@karaoke.co.uk)

A typical KaraUke live gig requires the house setup detailed below. We are flexible on some requirements if necessary: please contact us to discuss.

**Note:** venue to provide a sound engineer; see additional comment under Vocals, below.

## Typical Stage Plot

## Vocals

SM58s or equivalent to cover:

- One for guest singer - a second is useful for duets/groups.
- Backing vocals/MC - minimum of 3, but as many as available on a per-gig basis. Typically one per ukulele player, see below.
- Microphone stands for each vocal - we use tablets and will provide mounts/clamps for each microphone stand.

**Note:** KaraUke is *live-band karaoke*. Audience members with varying stage and microphone experience are invited to choose a song and join us to sing - this combined with a wide repertoire of music genres dictates a need for proactive sound engineering throughout.

cont/...

# Ukuleles

We use semi-acoustic/electric ukuleles and FX. Typically 4-6 DIs required, one per ukulele. Please contact us for exact number on a per-gig basis. We can provide DIs if necessary.

# Bass

House amplifier and/or DI.

# Drums

House drum kit. **Please provide exact details in advance, especially regarding "breakables"**. Typically we require a minimum of:

- Shell pack: Minimum of kick, 1-2 rack toms and floor tom.
- Snare: house snare if available or can be provided by the band - **please state in advance**.
- Cymbals: house cymbals if available [min: hat, crash, ride] or provided by the band - **please state in advance**.
- Snare stand.
- Hi-hat stand.
- Stool.
- Minimum of 2 [3 preferably] cymbal stands to cover: ride + crash(es).
- One DI for any triggered electronics on a per-gig basis.
- Drum microphones to suit as per venue.

For very *small* gigs we can provide cajón or other percussion if necessary, which will typically need mic'ing.

# Monitors/Foldback

To cover:

- Guest singer(s).
- Backing vocals/MC.
- Bassist.
- Drummer.

# Rider

Please contact us in advance to discuss where applicable.

# Accessibility Note

One of our members has an assistance dog: please ensure all on-site staff, including stage management, crew, bar staff and security are aware a working animal *may* be present and assist - where necessary - with shielding so that members of the public are aware that he is not a pet available for play. *Booker/promoter/venue will be informed in advance if the dog will be present.*
